For Ministerial Development**

Welcome to Your Leadership Development Institute!

This is the official training center for True Holiness Assemblies of Truth United International Inc.

The Leadership Development Institute is designed to help fulfill that commission given by the Lord Jesus Christ, to serve, nurture, and feed the sheep. It is a matrix of discipleship.

Coordinated to present to the Lord Jesus Christ, a people prepared, confident, and motivated to nurture and educate others. The institute will accomplish this by implementing biblical, general, and professional studies.

A MATRIX OF DISCIPLESHIP

CURRICULUM

The curriculum combines seminars, workshops, tutorials, classroom lectures, independent studies, mentorships.

It is designed to benefit veteran and promising young leaders, who are active in their congregations. It is also for those seeking general knowledge, as well as skill development.

DEVELOPING LEADERS

The Leadership Development Institute is growing out of a specific concern for building and enlarging the Kingdom of God.

Each program is specifically designed for each learner. The kind of community in which the learner ministers greatly determines the specific design of the training sessions as well. At the completion of each certificate program, the learners level of motivation will be heightened.

PROFESSIONAL DEVELOPMENT

Personal Development and Ministerial Ethics are addressed throughout each session.

THE ORIENTATION AND PLANNING WORKSHOPS

A three hour orientation and planning workshop (*OPW*) is held prior to the commencement of each program. It provides an opportunity for entering learners to meet one another and form the kind of community that will support their efforts throughout the coming year. This is a required session.

The Purpose of the OPW is to:

1. Orientate the learner to the nature of the program
2. Begin the study of group dynamics: Much of the OPW is devoted to small group activities; each group is led by a faculty member.
3. To complete the matriculation process
